

Thank you for choosing Valley View Surgery Center for your surgical needs.

The Valley View Surgery Center is located in the Village at Valley View office complex on Valley View Blvd. between W. Charleston Blvd and W. Oakey Blvd.

Accredited by the

ACCREDITATION ASSOCIATION  
for AMBULATORY HEALTH CARE, INC.

#### **Important Insurance Information - Please Read**

Your insurance company will be billed separately by each provider or service for the procedure you are having done. You will receive a statement of your account from **Valley View Surgery Center**. In addition to our **facility fee**, there will be **separate billing** from the **surgeon, anesthesiologist, laboratory and radiology (If they apply)**. If implants are used, they may be billed separately also.

**Valley View Surgery Center works out of network with many insurance companies.** Please ask at registration if VVSC is contracted or out of network with your insurance company.

**Notice to Patients Regarding the Destruction of Health Care Records:** Health care records may be destroyed after the period set forth in NRS 629.051.

In accordance with NRS 629.051, VVSC shall retain healthcare records at least 5 years after their receipt or production. Health care records of a person who is less than 23 years of age shall not be destroyed. The health care records of a person who has attained the age of 23 years may be destroyed when those records have been retained for at least 5 years.

**We are proud of the care we provide at VVSC.** VVSC's infection control rates are posted in the patients' changing room. A copy is available upon request.
